SOUTHERN HARDWARE AND

## THE BUHRKE TOOL BOX

is substantially and strongly built,  
very sightly, the best box made for

**Electricians, Steamfitters,  
Repair Men and General  
House Use.**

Most dealers prefer to sell the  
BUHRKE TOOL BOX because it is  
an article for which there is a big and  
steadily growing demand—a quick  
sales, big profits.

*Write for catalog giving detailed  
information on the various styles.*

# R. H. BUHRKE CO.

(Est. 1877)

1238-1250 Fullerton Ave., Chicago

**"THE HOUSE OF QUALITY"**

## THE FISHERMAN'S DREAM REALIZED

Every true "knight of the reel" appreciates the importance of keeping his "house in order."

### THE BUHRKE METAL COVERED TACKLE BOX

is the complete realization of that dream. Box covered with pure sheet zinc, with reinforced edges and corners—solid and substantial—everything in order—safe, secure.

THE BUHRKE TACKLE BOX is a real sales promoter.

## PROFITS IN QUICK TURN-OVERS

Every dealer knows that  
the biggest profits lie in  
the goods that sell rapidly.

### THE BUHRKE METAL EJECTOR CCLF BAG

is something entirely different---and a  
ready seller. Water proof, rust proof,  
indestructible. Pro-  
tected by patents---  
only bag of its kind on  
the market.

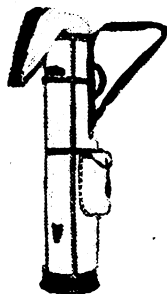

*Write for catalog giving detailed infor-  
mation on the various styles. Backed  
by national advertising.*

**Stands alone  
without support**

## THE BAG THAT SATISFIES

Mechanics and  
Linemen always  
express a prefer-  
ence for

**BUHRKE'S**  
(Original)

## ONE-PIECE TOOL BAGS

because they are the most satisfactory bags obtainable. No stitches at the frame to rot or tear, and no sewed-in bottom to fall out, because of ripping or rotting of stitches. Made in one piece, solid and durable. A bag that literally "stands up" under the hardest service, *Illustrated Catalogs, giving complete description, gladly furnished.*

**INCREASE  
YOUR  
VOLUME OF  
SALES  
BY SELLING  
the Ready-Selling  
BUHRKE**

**(Original)**

**One-Piece Tool Bag**

Sales are easy—satisfaction sure. BUHRKE BAGS are made in one-piece—no stitches at the frame to rot or tear, and no sewed in bottom to fall out because of rotted or torn stitches — cheapest in the end because they are BEST.

*Illustrated catalog giving complete descriptions of the various styles gladly furnished.*

## SHADES OF IZAACK WALTON

If the noted author of "The Father of Angling" were living today he'd surely appreciate this evidence of modern ingenuity.

### THE BUHRKE METAL COVERED TACKLE BOX

is the fisherman's delight—box covered with pure sheet zinc, all edges and corners re-inforced—solid and substantial—equipped with partitioned trays affording plenty of room to carry the entire outfit.

*Illustrated Catalog, giving complete descriptions of the various styles gladly furnished.*
